

River Valley Regional YMCA COVID 19 – Safety Plan Childcare and Summer Day Camp

SCREENING / CHECK IN

1. All staff and children will be screened before entering the program space. This will include a temperature check (less than 100.4) and questions of contact with someone testing positive for COVID 19, travel outside of local area or any symptoms. All screenings will be documented.

STAFFING

1. Each day a consistent staff member will ensure all health and access procedures are followed each day.
2. Any staff with symptoms will be sent home.

CHILDREN

1. All sign in and out procedures will be completed in the lobby after passing the prescreening procedure.
2. Parents will not be allowed to enter program space.
3. Students with any related symptoms will not be allowed to attend the program for 14 days or after symptom free and doctor's note.

Cleaning / Sanitizing

1. All children and staff will wash their hands for 20 seconds at least once every hour.
2. High touch surfaces will be sanitized at least once every hour.

Social Distancing

1. All children and staff will need a mask and it is recommended that children wear the mask throughout the day.
2. Groups will do their best to not switch and the same children will stay with the same staff.
3. Staff will monitor and keep children social distance as much as possible.

Any program closures will be reported to DHS.
