# FOSTERING FRIENDSHIPS

## SUPERSTARS

### WILLIAMSPORT & EASTERN LYCOMING BRANCH YMCA

This unique class is designed especially for individuals with special needs. SUPERSTARS is a movement class where participants can develop motor skills, coordination, stamina and strength. More importantly the class is an opportunity to make friends, provide a safe environment for self advocacy, and have fun! A positive attitude is all that is required.

- Diana Logan and her exceptional volunteers engage participants in Drums Alive activities with drums sticks and stability balls.
- Program is free to participants!
- Parents/guardians/aides are required to stay at the YMCA for the duration of class.
